A B C G D
A B C G
D

[Verse 1]
A            C             G              D
 I wish that I could fly into the sky, so very high,
A            C
 Just like a dragonfly.
G D A         C               G               D
     I'd fly above the trees over the seas in all degrees,
A           C         G D
 To anywhere I please.

[Chorus]
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!

[Verse 2]
```

```
A      B      C                  G            D
 Let's go and see the stars, the milky way or even Mars,
A      B        C
 Where it could just be ours.
G D A      B      C                    G                D
     Let's fade into the sun, let your spirit fly where we are one,
A     B     C          G     D
 Just for a little fun. Oh oh oh yeah!

[Chorus]
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!

[Bridge]
A C G D
A C G D
A C G D
A C G D

[Chorus]
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!
A       B  C          G              D
 I want to get away I want to get away
A       B  C           G              D
 I want to get away, I want to get away

[Outro]
A       B  C        G            D  A    B    C     G
 I want to get away, I want to fly away, yeah, yeah, yeah!
D A       B  C           G              D
   I want to get away, I want to get away
A       B  C           G               D
 I want to get away, I want to get away, yeah!
A       B  C        G            D  A    B    C     G     D
 I want to get away, I want to fly away, yeah, yeah, yeah!
